# Reputation

RUTGERS

Rutgers University, established in 1766, is the eighth oldest institution of higher education in the United States.

Today, Rutgers is a premier public research institution with an outstanding reputation known throughout the world.

## Points of Pride

- Rutgers is one of 62 prestigious members of the Association of American Universities.
- Rutgers joins 14 other schools as a member of the Committee on Institutional Cooperation, providing opportunities for collaboration with other research universities.
- 4,900 international students enrich Rutgers University's classrooms.

## Rankings

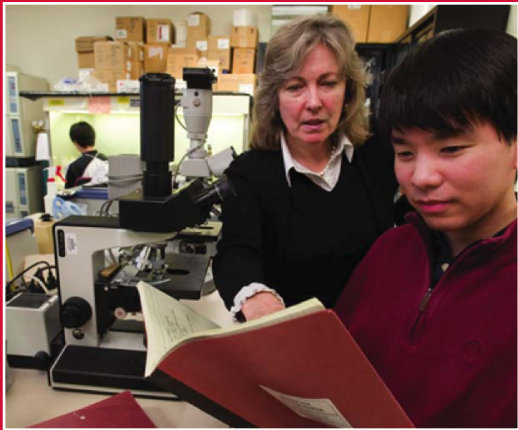

- #1 in diversity in the U.S. (Newark Campus) - *U.S. News & World Report*
- #3 undergraduate business program (New Brunswick Campus) - *Wall Street Journal*
- #10 for producing the most fortune 500 CEOs - *U.S. News & World Report*
- #3 in the U.S. for students earning Fulbright Scholarships - *The Chronicle of Higher Education*
- Ranked #27 in the world (Arts & Humanities) - *Times Higher Education (U.K.)*

# Faculty

Rutgers faculty are internationally recognized as leaders and innovators. They include:

- Guggenheim Fellows
- MacArthur “Genius Award” Fellows
- Pulitzer Prize Winners
- National Medal of Science and National Medal of Technology Recipients
- An Abel Prize Winner
- National Endowment for the Arts Recipient

# Faculty by the Numbers

- 99% of faculty hold a Ph.D. or other terminal degree
- 14:1 student-to-faculty ratio
- 38 Rutgers faculty have achieved membership in the National Academy of Sciences, National Academy of Engineering, and Institute of Medicine
- 57 are elected fellows of the American Association for the Advancement of Science
- 22 are elected members of the Academy of Arts and Sciences

## Research

- 60% of undergraduate students at Rutgers engage in original research.
- Rutgers has more than 300 research centers.
- Rutgers research has produced some amazing advancements including:
  - The discovery of Streptomycin (an antibiotic first discovered to fight tuberculosis)
  - Inventing the ceramic tile used in the heat shield of space shuttles
  - Successfully deploying the first unmanned underwater glider to cross the Atlantic Ocean

## Research Centers

- Rutgers Coastal Ocean Observation Lab
- Rutgers Equine Science Center
- Rutgers Manufacturing and Automation Research Laboratory
- W.M. Keck Center for Collaborative Neuroscience
- Center for Advanced Biotechnology and Medicine
- Aresty Research Center for Undergraduates
- Confucius Institute of Rutgers University

# Academics

RUTGERS

Rutgers University offers more than 100 majors and 4,000 courses each year.

Popular majors include: business, pre-medicine, engineering, mathematics, biological sciences, pharmacy, and chemistry.

# Majors

- Rutgers University is a comprehensive university offering majors in almost any area of study in 33 schools and colleges.
- At Rutgers students are also given opportunities to complete advanced degrees at an accelerated pace.
- Accelerated programs include:
  - BA/MD programs
  - BA or BS/MA programs
  - Combined BA/BS MBA programs
  - 6-year PharmD program

# Popular Majors

Some of the most popular majors for international students:

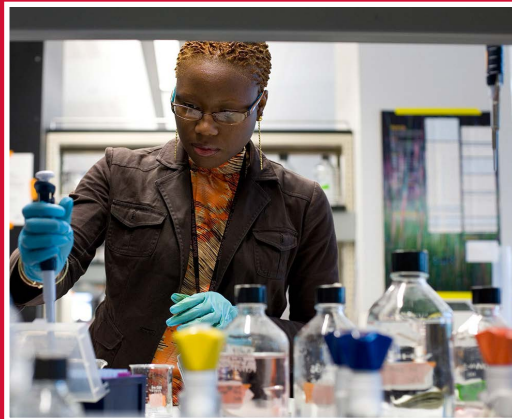

- Business
- Engineering
- Computer Science
- Pharmacy
- Biochemistry

# Honors Programs

- Honors Programs provide an intense and rigorous education founded on a strong core of study in the arts and sciences.
- For students interested in research, many programs offer the option of completing an honors thesis or senior honors thesis, which are entirely research focused.

# Highlights

In addition to challenging seminars and courses, undergraduates are afforded the opportunity to participate in:

- Peer mentoring programs
- Research opportunities
- Internships and co-ops
- Special housing options
- Extensive personal advising
- Social and cultural events

# Career Services

- Hands-on training and internships are a fundamental component of the Rutgers curriculum.
- Rutgers University hosts more than a dozen on-campus job and internship fairs each year.
- Employers come to campus from New Jersey (40 Fortune 500 companies in the state) and neighboring cities (New York City and Philadelphia).

- Rutgers University has one of the largest and most comprehensive Career Services departments in the country.
- Career advisers are available to students as early as their first year.
- Career Services assists students with:
  - Selecting the right major
  - Practicing interview skills
  - Learning business etiquette
  - Creating an outstanding resume

# Locations

RUTGERS

Rutgers provides students a traditional university experience just minutes away from two of the largest cities in the U.S.

## New Jersey

- Our campuses in New Brunswick, Newark, and Camden are centrally located on the east coast of the United States.
- New York City and Philadelphia are nearby cities, and Boston and Washington D.C. are just a few hours away by train or by car.
- Major nearby international airports include JFK, Newark and Philadelphia.

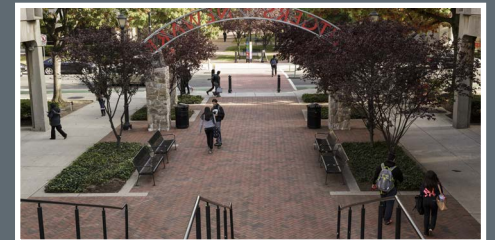

## New Brunswick

- Rutgers University-New Brunswick is Rutgers' flagship campus as designated by the AAU.
- 41,000 students call Rutgers-New Brunswick home and 16,000 students live on campus.
- New Brunswick is less than an hour by train from New York City and just over an hour from Philadelphia. The New Brunswick train station is located one block from campus.

## Newark

- Newark, NJ is the home of Rutgers University-Newark and Rutgers Health Sciences-Newark.
- The urban location of the Newark Campus gives our 12,000 students access to hundreds of internships in New York City (just 20 minutes away by train).

## Camden

- Rutgers University-Camden is located in the southern part of New Jersey.
- The Camden Campus offers an intimate campus setting for its 6,200 students.
- Philadelphia is located just across the Delaware River and provides students tremendous opportunities for internships and future employment.

# Campus Life

RUTGERS

## Residence Life

- 89% of first-year students live on campus.
- With more than 16,000 students living on our campuses, Rutgers offers a number of different housing options including:
  - Apartment-style housing
  - Suites
  - Living-learning communities
  - Family-style housing
  - Special interest housing

## Special Interest Housing

Options Include:

- International Tower
- Busch Engineering Science and Technology (B.E.S.T.)
- Mason Gross Performing Arts
- Multi-cultural
- Douglass Residential College (for women)

# Clubs and Facilities

- Rutgers prides itself on the variety of its student organizations. Areas of interest include:

- Sports
  - Soccer
  - Cricket
  - Basketball
  - Volleyball
  - Many more!
